Information about the IMU General Assembly

Dear colleagues

This is the third announcement about the next IMU General Assembly (GA) meeting, see also [CL 5/2023](#) and [CL 9/2025](#).

You will recall that the role of the GA is described in the IMU [Statutes](#), in particular, in Articles 19–25, and 42.

In preparation for the GA, if an Adhering Organization wants to propose changes in the Statutes (Article 36), or wants to propose business to be transacted at the GA (Article 39), such a proposal must be received by me at least 4 months prior to the meeting.

Thus, proposals for changes in the Statutes or items to be discussed at the GA, must be received by me by

19 March 2026

at secretary@mathunion.org.
